How is the board?

Old Business:

Weekend of 4/15

It was decided to show the Barkley Marathon on just Saturday when the speaker will be here. The Passion of The Christ will be shown on Friday and on Sunday.

Social Event With Sigma Pi

A list of 5 movies was created to present to Sigma Pi as a reference to what we think would be good options for their event. The list included Animal house, Pulp Fiction, Kill Bill Vol. 1, Hot Rod and Neighbors 2.

Passion of the Christ

CRU wants to cover the projectionist fees and rights to show Passion of the Christ for our Sunday Movie. This is a subtitled movie, so we are looking into options to make it easier for people to read the subtitles.

Theft

Matt H. was looking for mason jars left in the office that were to be used for cleaning the 3d glasses. Morgan said they were moved into the projection room.

3D Glasses

Matt H. found 5 pair of 3d glasses stored lenses down in the office. He wanted to remind people that this could damage the lens.

NanoCon

With NanoCon coming up with 2 weeks they have asked that instead of getting rid of our 2:30 shows we add 11:30 am shows Saturday and Sunday. Motion made my Morgan to approve, seconded by Keelyn and passed.
