Discussion for whether the Direct TV goes or stays— we found a way to cut expense and decision will be made on the table. Motion approved

New Business: We have a lot of people leaving the board, VP suggests to reinvent. A few years ago FB increased the price from \$1 to \$2, since then the tickets sales started to drop, the profits are getting better though, for him, he's concerned and think the ticket price raise will not do good and need advices from the board. (Kara) As a board we need more younger people.

Brainstorm...

Kat gets pissed about people not pronouncing "yi" correctly.

David told he can help with texting list for us this week

SDC will be a base to put flyers

Kat will email Library and Wads and Walker a poster
